13 Management Tips for Team Harmony

“Just like in an athlete’s development, raw talent needs guidance and education to mature and make a positive impact. No athletic coach would let someone loose without coaching and mentoring. Why should you be any different in your business?”

If you get one or two tips out of this list, it has been worth your while to read.

I have always believed in the old saying “You are never too old to learn”.

1. Set an example
2. Give clear instructions
3. Delegate tasks, responsibility and authority
4. Create a sense of fun in your workplace
5. Challenge your team
6. Be Positive and Motivated
7. Provide a pleasant working environment for your team(s)
8. Treat all your team equally
9. Keep your team informed of what’s happening in the business, how they fit in and the future direction, so everyone is on the same page and going for the same goal.
10. Get to know each team member personally
11. Provide regular feedback on their performance
12. Encourage your team to learn new skills by you leading the way
13. Work with your team’s strengths and manage their weaknesses
